

VERBENA PLANT NAMED 'SUNMARISAKURA'

5

ABSTRACT OF THE DISCLOSURE

Disclosed herein is a *Verbena* plant having a  
decumbent growth habit and long stems. The plant forms  
10 flowers in clusters with a great profusion of blooms. The  
flowering duration is long and the entire plant remains  
in bloom for a considerable period of time. The flower  
size is large and the petal color of flowers is light  
purplish pink. The plant is highly tolerant to heat,  
15 pests and diseases, particularly powdery mildew, and is  
moderately resistant to cold. 'SUNMARISAKURA' does not  
freely set seed due to self-sterility.
